# Google Reviews

*Just a few of our hundreds of reviews*

**Dalal** - I'm so glad I did my training with Jodie! She really takes the time to ensure you understand everything and is so knowledgeable. She's great at breaking down complex concepts into easily understandable terms. I can't recommend her enough, she is really passionate about aesthetics and teaching and ensures you are fully engaged whilst having fun! Can't wait to learn more courses with her x

**Lauren** - I completed my advanced filler and advance anti-wrinkle course with Jodi a few months back and couldn't feel more confident in these treatments now following her training. Her clinic is absolutely stunning and very up to date. She made sure she provided me with lots of models so I would walk away feeling confident and ensure that I got the practice I needed. She spoke through the different techniques and products which should be used in loads of detail and gave me her manuals which have loads more in depth info to look back on. I couldn't recommend Jodi more, she is very knowable and highly skilled within this industry. I will defo be coming back. Thank you!

**Joyce** - Jodie is absolutely amazing at what she does. I had enrolled onto the foundation dermal filler course and choosing Jodie as my trainer was the best decision I could have made. Jodie is extremely thorough, patient and supportive. The course consisted of 6 weeks theory and 4 days practical in house. Dollsface Aesthetics had organised numerous clients for me to practise on under Jodie's supervision and I genuinely can not recommend them enough. She ensured I had a full detailed understanding of the treatment methods, risks, anatomy, consultation and aftercare. I would highly advise anyone looking to get into Aesthetics to book in with Jodie as she is simply amazing! I can not wait to book in for my next course. Thankyou so much to both Jodie and Leanne for all your support and the most amazing course.
